BE INSPIRED BY OUR NUTRITION EXPERT, DIET CHEF MONA TAYLOR

“ Over the last 15 years, the main focus of my work has been in managing low protein diets for patients with metabolic disorders. I educate and promote the use of clinical nutritional dietary products for patients.

As a trained and skilled communicator, I have an enthusiasm for working with people, so engaging with patients and dietitians to establish their needs in the effective management of their diet is one of my key roles.”
